Trinity College Bulletin

Living Alumni

Hartford : Connecticut

July 1915

NOTE.

The following list, composed from data in the office of the Treasurer of the College, is as nearly complete as it is possible at this time to make it. Particular attention, however, is called to the list of alumni whose addresses are unknown, and it is particularly requested that anyone who can give any information about these persons will communicate with the Treasurer of the College. It is also desired that notice of any changes of address should be forwarded promptly to the Treasurer, Trinity College, Hartford, Conn.

In compiling the list no methodical attempt has been made to record degrees other than those of Trinity College except in the case of Doctors of Medicine. A new edition of the General Catalogue is in preparation, and in this such matters will regularly be included.

Class numerals enclosed in parentheses indicate that the person whose name they follow did not graduate. Honorary degrees are indicated by h. followed by the year in which the degree was conferred.
